2017 Congressional App Challenge Hack-A-Thon

For students interested in participating in the 2017 Congressional App Challenge:

U.S. Congresswoman Stephanie Murphy invites you to the 2017 CAC Hack-A-Thon!

The Hack-A-Thon is a free 2-day event in which students will have the opportunity to meet with mentors, participate in workshops, and engage with the local STEM community to aid them in the 2017 Congressional App Challenge.

The challenge will give Central Florida students an opportunity to represent their community in Washington, D.C., by designing and developing a software application, or “app”, for smart phones, tablets, and other digital platforms.
