

Parking Information

New procedures have been established this year to help elevate wait times to obtain a parking permit. Hopefully this will mean no one standing in line for 5 hours. Please be patient with us as we try to improve our procedures.

Only Seniors and Juniors are eligible for Parking permits.

Tickets will be issued to Seniors and Juniors that are free of debt. If any fees are owed it must be paid before a ticket can be given. Fees can be paid online until July 15th or paid in person to bookkeeping until July 17th for Seniors and July 19th for Juniors(**CASH ONLY**, if not paid online). Parking applications will be given out when tickets are issued. Parking permits will not be sold without a ticket.

Seniors pickup tickets on July 17th starting at 8:30 until all tickets have been issued.

Juniors pickup tickets on July 19th starting at 8:30 until all tickets have been issued.

You must have a ticket to purchase a parking permit. Below is the schedule by ticket number. Parking permits will be sold in the bookkeeping office.
